[Saving retirement](#)

By Michael Carnuccio

The federal government is going bankrupt from the unrealistic structures of entitlement programs like Social Security and Medicaid. The state of

Oklahoma is also running deep into the red, only our financial vulnerability is our public pension system.

Oklahoma's current public employee retirement liabilities are staggering, \$11.5 billion, and exceed the state appropriated budget by 69 percent. That debt will be on you and me and your children and mine.

It also means hundreds of thousands of Oklahoma public employees, including teachers, will not have the retirement benefits they were promised because there simply won't be enough money to pay it.

Hi, Clayton - I hope you and your family survived the tornadoes without incident. We are certainly thinking of you and your fellow Oklahomans. I assumed things would be quite hectic, so was going to wait a few days before I reached out to you. However, I am now out of the office on maternity leave, but we certainly still want to update you on our issues. It may be easiest for you to setup a time with Rich and Dave - they will be able to provide you with the information General Pruitt is interested in.

Hi, Clayton - I hope you and your family survived the tornadoes without incident. We are certainly thinking of you and your fellow Oklahomans. I assumed things would be quite hectic, so was going to wait a few days before I reached out to you. However, I am now out of the office on maternity leave, but we certainly still want to update you on our issues. It may be easiest for you to setup a time with Rich and Dave - they will be able to provide you with the information General Pruitt is interested in.

Thanks!

Hi, Clayton - I hope you and your family survived the tornadoes without incident. We are certainly thinking of you and your fellow Oklahomans. I assumed things would be quite hectic, so was going to wait a few days before I reached out to you. However, I am now out of the office on maternity leave, but we certainly still want to update you on our issues. It may be easiest for you to setup a time with Rich and Dave - they will be able to provide you with the information General Pruitt is interested in.

Thanks!

Hi, Clayton - I hope you and your family survived the tornadoes without incident. We are certainly thinking of you and your fellow Oklahomans. I assumed things would be quite hectic, so was going to wait a few days before I reached out to you. However, I am now out of the office on maternity leave, but we certainly still want to update you on our issues. It may be easiest for you to setup a time with Rich and Dave - they will be able to provide you with the information General Pruitt is interested in.

Thanks!

Dear Friends,

M'Liss and I are very excited to announce the start of an annual golf tournament to raise funds for Childhelp, Wasatch Front Utah Chapter. The goal is to raise enough funds so that we can support the **Speak Up Be Safe program** and the **Art in a Bag program**.

- The Speak Up Be Safe program is a, school-based, child abuse prevention education program that focuses on child safety. This program was developed by National ChildHelp Foundation and has been successfully taught nationwide and is now a mandatory program in all Florida State elementary schools. Riverton Elementary is the first school in the state in which we have been able to implement this program. It was very successful and the SUBS program is being requested by other local elementary schools. Our goal is to raise enough funds to roll this program out to an additional 5 schools in 2013, and eventually roll the program out statewide.
- The Art in the Bag program is a local ChildHelp program founded by my wife M'Liss, in which art supplies are purchased/donated to fill knapsacks that are then donated to local centers providing services for displaced children and those recovering from abuse. The child keeps the bag and art supplies and takes it with them when they are placed into their next living environment.

Please consider joining us in sponsoring our golf tournament at Crater Springs Golf Course on June 27, 2013. Your support is greatly appreciated and will go a long way in helping us reach our fundraising goal and thereby helping and protecting children.

Please find attached a sponsorship form.

We thank you for taking the time to consider supporting Childhelp Wasatch Front, Utah Chapter. For further information, you can visit our website at www.childhelpwasatchfront.org or contact me at Mark Shurtleff (801)-441-9625 or one of the following golf committee members:

EVE FOUSSARD, CHAPTER PRESIDENT (801-331-8588)

SCOTT REAMS & TOM REAMS, TOURNAMENT CO-CHAIRMEN (801-450-2566)

TONYA OLPIN, EVENT CHAIRMAN (281-871-1584)

DOUG JARDINE, DIRECTOR OF MEDIA (801-638-5020)

Sincerely,

Mark & M'Liss Shurtleff

Clayton:

Attached, is the document which I have tried to summarize energy related work by General Pruitt and your office. The goal is to come up with a list of actions he has taken with respect to EPA / DOI regulations through commenting in the docket or in Federal litigation.

Any other suggestions of cases to add would be appreciated. The haze case is a good example.

Thanks.

Clayton:

Please find attached a short white paper with some talking points that you might find useful to cut and paste when encouraging States to file comments on the SSM rule. I am also attaching a summary of those comments as filed by States into the docket. The bulk of these request an extension. Five have submitted substantive comments – KS, MO, NE, NJ, ND.

Finally, I am attaching the earlier comments filed by Devon which also focuses on the extension request.

Thank you.

Clayton,

We are under no pressure here. Quite the opposite, we want to take the time to get this paper right, and we appreciate your expertise on the Farrell-Cooper and FOIA paragraphs. The end of this week is fine. I look forward to seeing your edits. Rich

Rod and I met with General Pruitt yesterday, and we discussed the draft white paper outlining his work on energy and environment litigation. General Pruitt seemed enthusiastic about where our first draft stood, but Rod and I still needed more time to incorporate your edits, specifically the FOIA request, Farrell-Cooper, and the regional haze SIP/FIP challenge. Those additions are reflected in the attached version of the white paper. Please let us know

about any further changes.

We appreciate the opportunity to work with you and General Pruitt on this matter.

DearFriends,

M'Liss and I are very excited to announce the start of an annual golf tournament to raise funds for Childhelp, Wasatch Front Utah Chapter. The goal is to raise enough funds so that we can support the **Speak Up Be Safe program** and the **Art in a Bag program**.

- The Speak Up Be Safe program is a, school-based, child abuse prevention education program that focuses on child safety. This program was developed by National ChildHelp Foundation and has been successfully taught nationwide and is now a mandatory program in all Florida State elementary schools. Riverton Elementary is the first school in the state in which we have been able to implement this program. It was very successful and the SUBS program is being requested by other local elementary schools. Our goal is to raise enough funds to roll this program out to an additional 5 schools in 2013, and eventually roll the program out statewide.
- The Art in the Bag program is a local ChildHelp program founded by my wife M'Liss, in which art supplies are purchased/donated to fill knapsacks that are then donated to local centers providing services

for displaced children and those recovering from abuse. The child keeps the bag and art supplies and takes it with them when they are placed into their next living environment.

Please consider joining us in sponsoring our golf tournament at Crater Springs Golf Course on June 27, 2013. Your support is greatly appreciated and will go a long way in helping us reach our fundraising goal and thereby helping and protecting children.

Please find attached a sponsorship form.

We thank you for taking the time to consider supporting Childhelp Wasatch Front, Utah Chapter. For further information, you can visit our website at www.childhelpwasatchfront.org or contact me at Mark Shurtleff (801)-441-9625 or one of the following golf committee members:
